

## Your Challenge

You are looking for a flexible service that puts you in the driver's seat. You want a cost-effective solution for your screening needs—whether it's a small screening, updating current prospect records, or adding new groups of individuals to your database. **DONORSCAPE ONLINE** is a flexible option that gives you immediate results.

## Our Solution

**DONORSCAPE ONLINE** enables you to research prospects one name at a time or in batches of up to 1,000 records—perfect for small screenings, updating screenings, and ongoing screening efforts for new members.

Supplying you with detailed information on your constituent's wealth, affiliations, and capacity to give, **DONORSCAPE ONLINE** lets you take advantage of all of **DONORSCAPE CAPACITY's** great features for researching and qualifying prospects with confidence.

- **Web-based delivery** ensures up-to-date information.
- **Comprehensive data** from 12 of the best-known sources provides up to 500 data points of detailed asset, wealth, employment, affiliation, biographical, and political and charitable giving information on each constituent. Data sources include:

**CorpTech®** Business Profiles

**Dun & Bradstreet Business & Executive Information®**

**Federal Election Campaign** Donors

**GuideStar®** Non-profit Boards of Directors, **Public**

**GuideStar®** Non-profit Boards of Directors, **Private**

**Larkspur SEP/Keogh Pensions™**
